long-winded explanation of a chapter (namely chapter 68) in another, better known work, Hopscotch. This book is a surrealist definition of the elusive city, told through the story of a group of friends who travel through Europe but manage to gather together between trips in the Cluny , a small bar in Paris.

Cortazar at his best. Less ambitious than Hopscotch, perhaps, but more experimental in tone and style, 62: A Model Kit, is a brilliantly conceived and beautifully executed book remarkable not only for the insight into the painful inner meanderings of the human heart and mind it contains, but also for the unique mixture of humorous, frightening, and romantic backdrops against which the action ...
