Philippine Politics and Governance This course introduces the students to the basic concepts and vital elements of politics and governance from a historical-institutional perspective. In particular, it attempts to explain how the important features of our country's political structures/institutions, processes, and relationships developed across time.

Philippine Politics and Governance - Senior High School ...

Government is closely related to politics. To study politics is in essence to study government or more broadly, to study the exercise of authority. Politics is the art of government, the exercise of control within the society through the making and enforcement of collective decisions. (Heywood 1997)

The extrajudicial killing by security
forces and their agents of political
activists, environmentalists, and human
rights defenders continued, most
notably on the central Philippine island
of Negros.

World Report 2020: Philippines | Human Rights Watch

The politics of the Philippines take place
in an organized framework of a
presidential, representative, and
democratic republic whereby the
president is both the head of state and
the head of government within a
pluriform multi-party system.
